

Exhibit A

U.S. v. David Garcia Gonzalez
CR 07 00809 DLJ

April 29, 2008

To Whom It May Concern:

I Claudia Garcia present myself before the judge, I am the wife of David Garcia Gonzalez. I declare that David and I have known each other since we were young children in Mexico. Through the years David and I began to date in the 1990's. After dating for a while we decided to get married. In 1997 we finally married and we have now been together for more than 11 years. We have three daughters, the oldest Maria G Garcia is ten years old, Fatima Garcia is five years old, and Elizabeth Garcia is two.

David Garcia Gonzalez has been a wonderful and caring father, and a terrific husband. David is true family man, responsible and a hard worker. Maybe you think because I am David's wife that is why I am saying these things about him. However, if David was not the things I said, if he was violent or treated my children harshly I would not be writing this letter. I am begging you to please be just with David Garcia Gonzalez.

I know David Garcia Gonzalez has made mistakes but name one person who is without mistakes. Even though what David has done is wrong his intentions were good. David was trying to help his family, and give our family a future. Please is there anything we can do to help David. I can not make it here in the United States without David. He is our provider and my rock. If David were to have to go back to Mexico I do not know what would happen to our family. And I could never return to Mexico and take my daughters. Mexico is not the same country anymore, you have no idea how it is for a woman. I could never put my daughters through that. Please we will do anything to keep David here in the US. When you make your decision you are not just changing David's life you are also changing mine, and three innocent children. I beg you to please find any other solution. Thank you for your time.

Sincerely,

Claudia Garcia

My name is Isabel Gonzalez Del Rio I am writing on behalf of Alfonso Garcia Torres (David's father), Laura Soledad Gonzalez Garcia (David's sister), Martha Garcia (sister), Mario Garcia (brother), Alfonso Garcia (brother), Cleotilde Garcia (brother), and myself. We are all very concerned of what may happen to David Garcia and his family. David Garcia has no family in Mexico, we are all living here in the US. There must be something we can do to help David. I understand that what he did was wrong and he fully regrets what he has done. David had good intentions even though what he has done is wrong. However, please do not ruin an entire family for one mistake. There are no jobs available at this time and Claudia Garcia (David's wife) will not be able to support all three of those girls without David. We can try to help as much as possible but there is no way she will be able to raise those children and work at the same time. On behalf of our entire family we are willing to do whatever we can to help David stay in the United States. Please just say what it is we can do to help and we will do it. I also do not want my son to have to go back to Mexico. Mexico has changed a lot, it is not all wonderful as you may think. It has become a very hard place to live. There is mugging, raping and killings, however it has increased to an extreme amount. The police and the government are all corrupt. I am sure it is hard to believe but Mexico has become a nightmare and I fear for the life of my son David. Not to mention I do not know how his daughters Maria, Fatima, and Elizabeth will take their father leaving. All three girls are very close to David. He is the perfect father, and those girls will suffer without him. Please if there is anything any of us can do please I beg you just say the word. We will do whatever we can for David Garcia and his family. Thank you I hope to hear from you.

Sincerely,

Isabel Gonzalez Del Rio and family

My name is Maria Guadalupe Garcia. I am in the third grade at Parkside Elementary School Pittsburg, CA. I'm writing to you hoping you will let my Dad come home. I really miss and need him. We are in a country that has helped me with my eye sight problems. I have gone to many Doctors because I can't see very well. I know that I'm just a little girl and I don't understand why my Dad can't be with me. My dad worked really hard to take care of our family. He is a good and caring man. My little sisters need to see him also. My family is broken now and I am begging you to please let my dad come home to us. It feels like I haven't seen him for years. Although I know it's been since December I can't imagine how long it seems for my sisters. My family and I beg that you consider any decision you may make.

My dad is

David Garcia G.

I have known David Garcia for several years, we met when he moved in just down the street from me. David has been a thoughtful neighbor. He is a nice and respectable man. There have been incidents where I needed help or my son and David has always been someone we could rely on if we needed help. Our neighborhood is pretty quite and everyone gets along well, but David goes above that and tries to help his neighbors. You don't see men like David anymore, nice, respectful, courteous, and caring. David has all these traits and much more. If I can do anything to help David please contact me at the above address. I will be more than happy to show my support for David.

Sincerely,
